MARK VANDERSLICE

A word from

COACH VANDERSLICE

Dear Parents and Campers,

On behalf of our entire university, we are very excited to offer several youth basketball camps here at the USC Aiken Convocation Center.

Our camps are designed to improve each camper's overall basketball skills. There will be group and individual instruction as the campers do drill work, team games, and character building activities.

I'm thrilled that our staff and players will be able to work directly with so many of the kids in our community that grow up rooting for the Pacers!

I hope you're as excited for camp as we are! See you this summer!

Sincerely,

Mark Vanderslice
USC Aiken
